## WELCOME BACK TO SCHOOL

On behalf of the entire teaching team here at Moon Valley Prep, I am excited and happy to welcome you to the 2022-2023 school year!

We've got some pretty great things planned for this upcoming school year in regards to classroom and school wide activities, attention grabbing and educational curriculum themes and all the basics to help prepare our students for their further education one they graduate.

We know that this school year is going to be AMAZING and we can't wait to partner with you to make this year DINO-mite!

## UPDATING STUDENT FILES

'Tis the season to update our student files!

With another new school year and our rebranding of the school it's time to get your help in completing Fall Registration Packets.

We will have these ready to go home Friday, August 12th and will need them returned to a leadership team member not later than Thursday, September 1st.

Please keep a lookout for any further communication surrounding these packets.

## JOKE OF THE MONTH

**Who used to enforce law and order in prehistoric times?**

The Tricera-Cops
